

## CAUTION

### About installation on Light Weight Hi-hatt Stand CHS-1

Due to the construction of the pedal and chain mechanism the following procedure must be followed in order to install CHSP-TS to Canopus light-weight hihat stand CHS-1.

Also, please note that the stand will not be able to be fully folded after installation.

Use the wrench supplied with CHS-1 to remove the chain screw.

Set the Toe Stopper and fix it.

Reinstall the chain.
